Bushes for lower wishbones

Central support for gearbox

Engine support bushes

2 x Bush for spring support

2 Gaiters for spring

2 radiator hoses

Top radiator keeper

Water pump

Distributor points

Condenser

Water temp sensor

Flywheel wheel bearing

Timing chain and its spring

Air filter seal

Engine supports

Full set of engine gaskets

Oil filter

Alternator belt

Original engine head

Main ends

Piston big ends (+0.1)

Gudgeon pin bushes (4)

4 pistons (78 mm)

2 x front caliper keeper

Thrust washers

Packing and shipping

Water hose (1.5 m)

Radiator repair

Crankcase breather hose and oil filler

Reboring cylinders

Crankcase skimming

Crankshaft grinding

Smallends boring

Cleaning crankshaft and fitting new plugs

Cylinderhead bead blasting

Refilling of 2 valve seats

Repairing valve seats

Cylinderhead skimming

Timing chain tensioner shoe

2 x trackrod ends

Clutch disc

Clutch cover

Carburettor overhaul

Sensors for oil pressure and water temp

DOT 4 brake fluid (1 liter)

80W-90 oil (3 liters)

Antifreeze coolant (4 liters)

Engine oil (4 liters)

Rubber cap for bonnet prop

Driveshafts oil seals

Air filter gasket

Ducting for heater

Galvanizing

External mirror

Consumables
